Dear Andrew:

**Re: Molson BC Sales Adventure Play Day Workshop**

I would like to thank you for a great day from both a learning and recreational perspective. The Adventure Paddle Day that you organized and facilitated for the Molson BC Sales management team on Monday, June 17<sup>th</sup>, 2002 met all our objectives. Other than the inclement weather the day came off without a hitch that fostered learning in a fun setting.

With enhancing Leadership, Communication, Team Building and taking responsibility for ones actions as our day's objectives all the workshops were well suited to engage discussion that related back to our working relationships. As a new group that has experienced much change it was a valuable exercise that promoted team work through full communication.

Once again thanks for a successful day. Good luck with your future endeavours and I will call on you again when the need arises.
